Airway Management

Session

PBLD

Workshop

***This is a preliminary programme and is subject to change.**

PBLD

Guidelines

- What are you looking for in a new infographic to promote understanding of airway management for the difficult airway.
- Discuss the essence of a new practice guideline for the difficult airway which can appeal to multiple specialties, universally.
- There is a deficiency of practice guidelines to manage the difficult airway in the Emergency Department. Discuss the requirements of a new ED guideline.

Facilitators: Adam Law, Canada
TBC
Ellen O'Sullivan, Ireland
George Kovacs, Canada
